Cc: "Ciampa, John" <CiampaJ@san-clemente.org>

I wrote to Coastal staff last Friday 10/23 and referenced the project as a priority during City staff's check in call with Coastal staff yesterday 10/27. They have 30 days to review your latest submittal and given their staff workload with the El Nino season, I expect that will take most of that time, but I also expect a positive resolution given the information you and City staff provided.
